The Great Hall at Mains

We do great food, locally sourced, beautifully presented and served by really nice, well trained staff. Nothing is too much trouble, if it works we'll do it.

You have the flexibility to have exactly what you want from a classic 3 course meal to a Mediterranean inspired barbecue. We have a range of classic, quirky and indulgent menus that we know work really well or you can design your own menu from your favourite dishes.

To give you an approximate idea of costs, please see below some suggested menus. Prices include all crockery, cutlery, white table linen, linen napkins and staffing. For our full range of menus please see our [website www.karenrhodes.co.uk](http://www.karenrhodes.co.uk).

All the menus are simply suggestions and can easily be altered to suit your requirements. Prices include all crockery, cutlery, white table linen and napkins and staffing for the reception and meal.
